

Cop-EE

Handy Copier for I2C & Micro-wire EEPROM's

Features

- Handy EEPROM replicating tool, no PC-Interface required.
- Support all 24Cxx EEPROM's (24C00 to 24C1024) and 93Cxx (93C46 / 56 / 66 / 86)
- Fast operation (programs 24C08 in less than 2 seconds)
- Single ZIF for both master and slave EEPROMS
- 16 LEDs for indicating selected device.
- Three Diagnostic LEDs (Error, Busy, Done)
- Easy one-touch operation, no formal training required
- Ideal tool for TV /Audio / Video technicians.
- Works on any standard 9V DC supply.

IC's Supported

I ² C EEPROM's		Micro-wire EEPROM's
24C00	24C16	
24C01	24C32	
24C02	24C64	
24C04	24C128	
24C08	24C256	
	24C512	
	24C1024	
		93C46
		93C56
		93C66
		93C86

Specifications

- Dimensions : 90mm L x 70mm W x 25mm H
 - Operating Voltage : 9V DC.
 - Weight : 100 gms.
- 1 year limited warranty

Cop-EE Package Contents

COPEE Copier

Universal IC Programmers

Universal ISP Programmers

ISP Programmers

IC Programmers

Adapters & Converters

Encrypted Programmers

Development Tools

IC Testers
